NDVS Statement per SB70 (2017) and NDVS Policy#: VS-ADMN-16
The Nevada Department of Veterans Services (NDVS) may take possession of any abandoned or unclaimed artifacts and other property that have military or historical value for safekeeping. Upon receipt of artifacts, the Deputy Director of Programs and Services (DDPS) will contact the Nevada State Museum and Nevada Historical Society to determine if the artifact(s) or other property has military or historical value and is worthy of preservation. The Museum or Historical Society may request the artifact(s) or other property. If the Museum or Historical Society chooses not to accept the item(s), the DDPS may contact other entities to include veteran organizations. Non-State of Nevada governmental agencies or nonprofit entities must acknowledge in writing that they agree not to sell the requested item(s) or transfer it/them to another agency or person for purposes other than the respectful display or preservation of the item(s). NDVS will coordinate the transfer of the item(s) with the receiving agency; cost of shipping will be the responsibility of the receiving agency. An action may not be maintained by any person against the holder or former holder of an artifact or other property because of the transfer, destruction or other disposal of the artifact(s) or other property pursuant to SB 70.
