Free Family and Professional Caregiver Training Opportunity Bravo Zulu: Achieving Excellence in Relationship-Centered Dementia Care

PRESENTED BY

Jennifer Carson, PhD

Director, Dementia Engagement, Education and Research Program, School of Community Health Sciences, University of Nevada, Reno

CEU INFORMATION

This program has been approved by the Board of Examiners for Long-Term Care Administrators, Marriage and Family Therapists and Social Workers for 12.0 Continuing Education Units (CEUs). The University of Nevada, Reno School of Medicine's Sanford Center for Aging approves this training for 12.0 of nursing CEUs. This program meets the Nevada State requirements for 8.0 hours of dementia education for skilled nursing and assisted living providers.

*Bravo Zulu originated as a naval signal, typically conveyed by flag-hoist or radio, meaning "Well done!" Since its origin, Bravo Zulu has been used by senior U.S. Navy, U.S. Marine Corps and U.S. Coast Guard officers to congratulate or compliment their crews or commands for **outstanding performance!** Learn how you can get to Bravo Zulu in dementia care and support.

Bravo Zulu is a four-part series offered in partnership with the Nevada Department of Veterans Services. This training explores what it takes to get to Bravo Zulu* by providing dementia care and support that is flexible, yet tailored to each unique elder's strengths, preferences and needs.

This program also has a component that speaks to military service and its impact on the aging process.

Registration is open. Select an option below or visit our website: [Click Here](#)

Select the option that works best in your schedule:

[Option 1:](#) Tuesdays, September 1, 8, 15 and 22

[Option 2:](#) Tuesdays, October 6, 13, 20 and 27

Program times are 8:30 a.m. to noon

You must attend all four trainings in one of the options to receive credit.

After completing this four-part series, you will receive a special certificate from the Nevada Department of Veterans Services.

Out of concern for the health and well-being of all, the Sanford Center for Aging (SCA), in partnership with the University of Nevada, Reno Frontier Area Health Education Center (AHEC), has suspended in-person events for this fiscal year. All trainings will be provided via Zoom interactive video.
