EVERYONE HAS A STORY

our story

THE SOUTHERN NEVADA STATE VETERANS HOME is an award winning long-term care and rehabilitation facility in Boulder City, Nevada. Eligibility for the Nevada State Veterans Home includes U.S. veterans who have served active duty, spouses of veterans, and Gold Star parents. Some of our amenities include a home-like environment, open outdoor areas, and private gardens.

We provide post-acute rehabilitation, extended skilled nursing care, and memory care. Our staff, residents, and volunteers create a warm and friendly community that seeks to uphold and affirm the dignity and joy of life as we care for the physical and emotional needs of our residents. Our care teams work together to create personalized treatment and activity plans to help veterans and their families through their care journey.

At the Southern Nevada State Veterans Home, we are committed to create and maintain a high standard of living for all veterans we have the privilege of serving. We embrace a reverence for life and a heart for healing.

appreciation for service through quality care

It is said that a nation's gratitude is measured by the way its people honor their defenders. To defend the Constitution, serve in harm's way, and bear the cost of freedom for all is a sacrifice worthy of active gratitude. In everything we do here at the Southern Nevada State Veterans Home, we strive to honor and serve our nation's aging veterans, as they have honored us through their service and sacrifice.

The Southern Nevada State Veterans Home offers more than just 24-hour nursing care. We cater to both the physical and emotional health of our residents. Our care teams work together to create personalized treatment plans to help veterans through their care journey. We strive to provide industry-leading outcomes through coordination of all aspects of your care.

managing veterans care

At the Southern Nevada State Veterans Home, we recognize that managing your care is as important as providing it. That's why we have care teams trained to assist in coordinating your transition the community to our home. Once you arrive, our team will work closely with you to plan your care and answer any questions.

INSURANCE

Navigating insurance plans can be tricky—and we are here to help! Our dedicated care team will work closely with you to make sure you understand your specific plan and coverage. They will also work with you to plan the duration and goals of your stay as well as coordinate your transition home.

COMMUNICATION

A physician will oversee your care and is available should questions arise. Our dedicated nursing team will keep your physician apprised of your condition.
