WHY a Nevada Veterans Advocate Course?

Every Nevada veteran and their family should be able to access information regarding benefits, programs and opportunities they are eligible for and have earned through military service.

Sadly, many of our Nation's heroes are unaware of the "Sea of Goodwill," or the outpouring of support offered by local communities, nonprofit organizations, and State and Federal agencies.

The Nevada Veterans Advocate (NV Advocate) Course educates and certifies NV Advocates so they may help connect veterans to earned benefits and service providers who support veterans.

WHAT Does a Nevada Veterans Advocate Do?

A Nevada Veterans Advocate is a person who helps educate active military members, guard and reserve members, veterans and their families about benefits, programs and opportunities of which they may be eligible.

“ A Nevada Veterans Advocate can be any person who is willing to take the time to learn how to help veterans and their families. ”

– Kat Miller

Enroll in and complete the 20-module Nevada Veterans Advocate Course online or attend a free NV Advocate Workshop.

Once certified, participants will receive a Certificate of Completion and a Nevada Veterans Advocate shirt.
