OVERDOSE RESPONSE WORKSHOP FOR VETERANS

Date	*Time*	*Location*
August 6th, 2026	5 PM	9400 Gateway Dr. Reno, NV 89521

In partnership with the Nevada Opioid Center of Excellence (NOCE) in the University of Nevada, Reno, School of Public Health, NDVS is offering a confidential, educational workshop to learn about risk, prevention, and treatment for accidental overdose.

This session is intended for veterans, their families, and for professionals working directly with veterans.

You Will Learn About:

- Substances more likely to cause overdose
- Health risks
- Overdose treatment and prevention

NDVS's mission is to provide support and services that address the needs of at-risk veterans. Join us to gain valuable insight on overdose prevention and treatment.
